## MARTIN HARRIS-TURNER PRESENTS

### Qualifying for Bid Opportunities

- Hands on assistance with the MHT Prequalification Application for Nevada Public Works CMAR projects.

Austin Kight  
Strategic Brand Director

## GENERAL PROJECT INFORMATION

- The LVCC District Phase Three Renovation project is an overall renovation to the existing Las Vegas Convention and Visitors Center and will be completed in a series of different sequences.
- This is a CMAR project subject to Nevada Revised Statutes, SB-1 and Clark County\ Prevailing Wage.
- The project will be utilizing a Contractors Controlled Insurance Program (CCIP)
  - Additional details/information regarding CCIP will be available at the tentative workshop on May 21, 2020.

## PROJECT SCHEDULE AND MARTIN HARRIS CONSTRUCTION (MHC) ROLE

- MHT is committed to the community and small businesses and has ensured inclusion efforts by way of a three-pronged approach
  - **Outreach**
  - **Education**
  - **Strategic Alliances**
- MHT is the Construction Manager at Risk (CMAR) for pre-construction services for the referenced project.
- The construction portion of the project will begin in December of 2020.
- Construction must be complete in September of 2024.
- MHT will determine Qualified Bidders pursuant to NRS338.16991, and include multiple qualified bidders for each scope of work.

## INSTRUCTIONS FOR REQUEST FOR PREQUALIFICATION APPLICATIONS
